Adjournment

Please Note: Due to disruptions during previous meetings, we have instituted a new procedure for comments/questions from members. We are asking that you approach the Speaker's Table and wait to be recognized. After which, you will have three minutes to discuss your issue. Subsequent time at the Speaker's table will be limited to two minutes. The Board President may ask you to have your item postponed to the next meeting.

We have provided Speaker's Forms for your convenience. Please make sure you have filled out the form and have given it to a current Board Member before the Question/Answer period.
